Eitan G. Levy

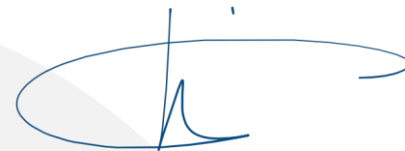

For successfully completing our **84-hour Schema Coaching Training Programme** over 21 days between **11th February 2026** and **22nd July 2026**. The participant completed training in relationship co-creating, strategic communication and advanced questioning techniques. The program covered Brief- and Gestalt coaching approaches, resistance management strategies, and practical application through supervised practise sessions. It also introduced the participant to the fundamentals of the Schema Coaching Framework during which she/he obtained thorough practise of cognitive, experiential and behavioural techniques to support clients in reaching contracted goals efficiently on measurable terms.
